Who We Are

Children of Medjugorje, Inc. (COM) is a Roman Catholic, not-for-profit, lay missionary organization dedicated to delivering five simple messages from Our Lady in Medjugorje: Fasting, Prayer of the Rosary, Scriptural Reading, Holy Mass and Confession. We are committed to building up the Church enabling the faithful to unite in prayer. With an outreach of over 10,000 in the United States and more than 60,000 around the world, COM connects the faithful internationally in an effort to educate and give hope to those who are lacking peace. Communicating the love of God to others and promoting the culture of life has become the benchmark of our work and the work of those affiliated with COM. We endeavor to shine a bright light of hope through the spiritual darkness and emptiness of the world.

Inspired by Our Lady in Medjugorje, COM encourages Christian formation in the conscience of people everywhere. The Christian faithful not only find motivating ideas, but they are also creating scenarios in their own communities that, for example, renew parishes, build foundations for youth groups and provoke a response in the context of social issues. Some may be called to evangelization, others, a ministry to the sick and suffering. Yet for others the mission is to uphold values that promote the dignity of man in the field of medical ethics and morality. All of us share the call to prayer. COM places itself on the front lines of the spiritual battleground, employing various communication technologies at the service of Mary, the Queen of Peace, so that she can extend her school of prayer, peace and love in Medjugorje to the whole world. We are her instruments, so that all people will come to see that they, too, are her children. COM, Inc. in the United States publishes books and Medjugorje newsletters, as well as produces videos and audio files in an effort to spread the messages given in Medjugorje. COM, Inc. Also financially supports short missions throughout the world where these messages are not well known.

Sister Emmanuel

Sister Emmanuel tells that after receiving her first calling to the Beatitudes Community in 1976, she received another calling – to serve Our Lady in Medjugorje. Sent by her community, she initiated the first branch of the community in Medjugorje in 1989. During the Balkan war in the 90s Sister Emmanuel became known for her regular faxes about the situation in Herzegovina, always related to the mission of Our Lady. She has had an enormous impact on France, stimulating an extensive response to Medjugorje among French pilgrims, but her apostolate has broadened as her books have been translated into 22 languages and she has traveled widely to make Medjugorje known, particularly in the United States. Today, “Les Enfants de Medjugorje” and “Children of Medjugorje, Inc.” allow her to be connected everyday to thousands of people around the world, who are motivated by and spreading, the messages of Our Lady in their own humble way. Sister says that her greatest joy is to be part of a family formed by Our Lady, and being Her extended heart and hands for her children, especially those who do not yet know the love of God.

Sr Emmanuel has been writing about Our Lady of Medjugorje and sharing her messages of peace and love since the late 1980's. Her complete listing of books is presented below -please note that we are working on new printings of several volumes that are currently out of print!

The Hidden Child © 2007

Throughout time, man has been in quest of security, of peace, and of happiness; however, rare are those who find that their quest is in reality a quest for God. In her new book, *The Hidden Child of Medjugorje*, Sister Emmanuel brings a precious contribution to the understanding of this aspiration. As the pages are turned, this book reveals itself to be a guide. It enables us to reach an end, which is none other than the Hidden Child, the Child Jesus. In the apparitions of Medjugorje, this Divine Child hides Himself so well in His Mother that at first sight, one pays Him no attention. But whoever finds the Mother, finds the Son. Thus will it be for all who read this book.

Children, Help My Heart to Triumph (© 1996 Children of Medjugorje)

At the height of the Bosnian War, Sister Emmanuel remained in Medjugorje with a few members of her community. During that time, memories of her father, a Prisoner of War during WWII, continually surfaced. Remembering how much he suffered, she felt a need to do something to spiritually help those on the front lines. Sister Emmanuel describes a call that she received at that time to appeal to the children for their sacrifices in order to alleviate the war. Children, Help My Heart To Triumph was written in response to that call. It describes for children how to make a 9-day novena of little sacrifices. Included is a coloring book that they can color and mail to Medjugorje where they will be presented at one of Our Lady's apparitions.

THE WAR: Day By Day © 1993 Sr Emmanuel

Sister Emmanuel stayed behind in Medjugorje with another sister of the Beatitudes and two brothers during the Bosnian War that began in the early 1990s. Many friends of Medjugorje read with great interest and concern, the faxes of Sister Emmanuel, a sister of the Community of the Beatitudes, which she sent back to her family in France. Fr. Daniel Ange writes: "She shared the day-to-day anguish of the people in the village...Sister Emmanuel describes a village emptied of its pilgrims, almost the same Medjugorje as before the pilgrimages began in the early 1980s."

Put Holy Mass at the Center of Your Life

Our Lady is extremely smart! At the beginning she appeared to the children in a way that they would fall in love with her. They dreamed to see her the next day. When we were completely in love with her, she started appearing in a different way and there was a veil between them and Our Lady so that the visionaries understood it was not she who was important it was her Son. OL wanted the children to consider the apparitions as a tool to prepare for Jesus. Each day she comes 20 minutes before Holy Mass. The mother is preparing the children to go to God.

When she speaks about Holy Mass and the Eucharist, it's the top. It's the best. It's the highest reality on earth. Our Lady said that "if man would prepare a little more to receive Holy Communion and spend more time in prayer after Holy Communion, they would experience more miracles in their lives and there would be less sickness among them." Hear how Our Lady taught the children about evil, black Masses and the solution for sacrileges committed against the Holy Eucharist!

Pray For Unbelievers (with Mirjana Soldo)

This private interview with Mirjana Soldo took place at her home in Medjugorje. In a candid dialogue with Sr. Emmanuel, Mirjana said, "OL asked us to put God at the center of our lives and families. It wasn't a question of vocation for me because I didn't feel the call to be a nun. We are all her "servants". I know that for her, special children do not exist. She took the 6 of us to tell all of her children what she wants. We are normal. Everything I need in my life, I have to pray like every other mother. She has the same intensity for everyone. We are all her kids."

"It's a place where there is a fog, so we couldn't see the people there. We could feel that it was very crowded. We could hear people moaning out of pain..." Our lady told them, "Many souls stay in purgatory because there is no one on earth to pray for them."

Sr. Emmanuel shares the sobering details of Hell she learned from Vicka and Jokov. What does it look like? How did they get there? How can God, who is all good, put people in Hell? He doesn't! "Many people on earth decide to do everything against God, to put the will of God aside. Those people who already had hell in their hearts, it's the same hell they have forever."
